

Name of the Cell/Department: The responsible Invertian

Academic year: 2022-23

Name of the event: Blood donation camp

Date: 25-04-2023

Venue: Clara Swain Mission Hospital, Bareilly

Description: Blood Donation Camp (2), as per instructions of State Government.

Team Responsible Invertian held a Blood Donation Camp at Clara Swain Mission Hospital as per the instructions of State Government on April 25th, 2023.

Once a blood donor, is always a lifesaver.

Words alone cannot express the magnitude of gratitude owed to the donors who stepped forward to offer their life-saving gift. By donating blood, these remarkable individuals demonstrated their unwavering commitment to humanity, becoming true heroes in the process. Their generosity has undoubtedly left an indelible mark on the lives of those in need, instilling hope and renewing faith in the power of collective goodwill.

Moreover, this event also served as a platform to raise awareness about the importance of regular blood donation and its significant impact on the healthcare system. By highlighting the notion that "once a blood donor, always a lifesaver," we aimed to instill a sense of responsibility and encourage a long-term commitment to this crucial cause.
