The initiative aimed to promote cleanliness, community engagement, and environmental awareness in the vicinity of the educational institution.

Objectives are:-

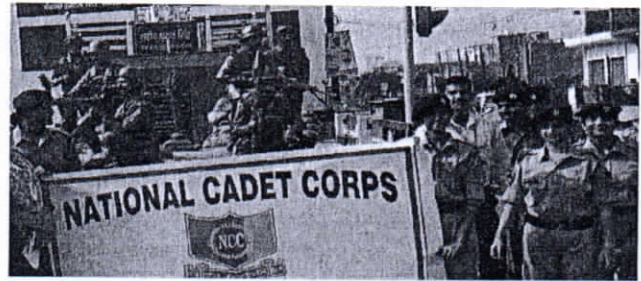

- ~To instill a sense of responsibility for cleanliness among students and NCC cadets.

Based on the success of this initiative, it is recommended that similar cleanliness drives be organized periodically. Furthermore, educational sessions and workshops on environmental conservation could be integrated to create a more lasting impact.

The Cleanliness Drive conducted by the NCC unit adjoining Invertis University was a resounding success in promoting cleanliness, environmental awareness, and community engagement. The commitment and active participation of students, cadets, and local residents played a pivotal role in achieving the desired outcomes. I extend my gratitude to the NCC unit, school/college administration, and all participants for their dedication and enthusiasm in making this initiative a triumph.
