Academic year: 2022-23

Name of the event: Vote awareness program

Date: 05-November -2022

Venue: Invertis Univerity, Bareilly

Description: Vote awareness program

It has always been committed to fostering civics awareness among its cadets. One of the key components of civic duty is participating in the electoral process. This report outlines the initiatives and outcomes of the Vote Awareness Program, which was conducted with the aim of promoting voter education and engagement.

Objectives

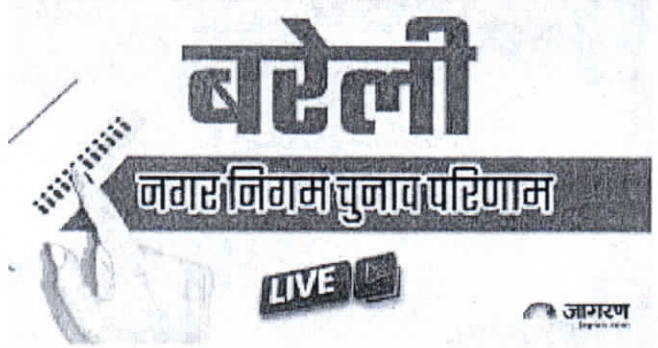

The primary objectives of the Vote Awareness Program were as follows:

- To educate about the importance of voting in a democratic society.
- To familiarize cadets with the electoral process, including voter registration, polling, and candidate selection.
- To encourage cadets to register to vote and actively participate in upcoming elections.
- To instill a sense of civic responsibility and duty among cadets.

This report concludes with the assurance that the commitment to voter awareness and civic responsibility remains unwavering, and efforts will continue to ensure that are well-informed and active participants in the democratic process.
