The workshop was conducted by Amit Kumar Sharma and Chetan Dhiman, Project Associates at IIT Roorkee.

In this workshop, the students learned that through virtual lab they can do all technical and science related experiments. In this lab all the equipments are available of the concerned subject using which the students can design the circuit and get the actual data. This will save the time and expense. Students will need to visit the physical laboratory just to experience the touch of instruments etc.

Sub: - Regarding the approval for Virtual Lab Workshop on 12th & 13th Nov 2021

Respected Sir,

With due respect, The Department of Electrical, Electronics & Communication Engineering wish to organize a 02-days Virtual Lab Workshop on 12th & 13th Nov 2021. The two resource person (Project Associates) of Virtual Labs from IIT Roorkee will conduct the workshop.

The proposed workshop will be highly beneficial to Students from all the branches of Engineering and Physical Sciences, since under the Virtual labs there are 200+ labs for both.

So, I shall be highly thankful to you if you consider my request at the earliest.

Your's truly

Mon Prakash Upadhyay
