Event Description

Glimpses of Industrial visit for B.Pharm and D.Pharm Students of Invertis university to **Coca cola Paraskhera** on **23rd January 2020**. The students visited five Production lines in largest production plant of coca-cola in India. They produce 10 lakhs bottles a day combined. This is the biggest coca-cola manufacturing plant in India. Students found the visit very interesting and informative. The visit was organized by CRC Department, Invertis University and visit was under the guidance of Faculty members Mr. Shashwat Garg and Ms. Lalita Palariya.

The students visited in following areas in the industry:

- 1- Sprite Production Line
- 2- Thumbs Up Production Line
- 3- Coca-Cola production Line
- 4- Kinley production Line
- 5- Maza Production Line

We are highly thankful to the CRC Department for organizing such a wonderful visit. Also, we are thankful to the Coca Cola Parsakhera for providing their valuable time for our students and briefing all the details.
