CONSENT TO DISCLOSURE FORM

Annex A to Network NCE Agreement

Name	Maged A. Youssef
Institution	The University of Western Ontario
Position	Professor
Research Project	Improving Fire Safety of structures Through the Development of Fire Retardant Laminated Glass Glazing

By accepting funding from CIHR, NSERC and/or SSHRC (agencies) through the India/Canada Centre for Innovative Multidisciplinary Partnerships to Accelerate Community Transformation and Sustainability (IC-IMPACTS), I understand that maintaining public trust in the integrity of researchers is fundamental to building a knowledge-based society and I affirm that I have read and I agree to respect all the policies of these agencies that are relevant to my research, including the Tri-Agency Framework: Responsible Conduct of Research (<http://www.rcr.ethics.gc.ca/eng/policy-politique/framework-cadre/>).

In cases of a serious breach of agency policy, CIHR, NSERC and/or SSHRC may publicly disclose my name, the nature of the breach, the institution where I was employed at the time of the breach and the institution where I am currently employed. I accept this as a condition of applying for, or receiving, agency funding and I consent to such disclosure.

INVESTIGATOR ENVIRONMENTAL IMPACT ASSESSMENT OF PROPOSED PROJECT

Project Number	(IC-IMPACTS Use Only)		
Project Title	Improving Fire Safety of structures Through the Development of Fire Retardant Laminated Glass Glazing		
Principal Investigator Name	Maged A. Youssef		
Department	Civil and Environmental Engineering		
University / Institution	The University of Western Ontario		
Telephone	519-611-2111, 88661	Email	youssef@uwo.ca
List of Canadian Collaborating Investigators & Institution	NA		
List of Indian Collaborating Investigators & Institution	Invertis University		
Identify Research Sites and Partner Community(ies) where research outcome will be tested and/or applied	NA		

SIGNATURES AND AUTHORIZATIONS

We the undersigned hereby agree to meet all conditions of project funding as provided for in the Network Agreement between IC-IMPACTS Centres of Excellence and the University, the terms and conditions of funding as required by the NCE Secretariat and the Tri-Council Granting Agencies policies and procedures, and the Canadian Environmental Assessment Act (CEAA).

We further hereby agree that we have assessed and disclosed all potential environmental impacts from the research being proposed and commit to undertaking any and all mitigations that may be required under the CEAA or by the Board of Directors of IC-IMPACTS as a condition of the release of funding from IC-IMPACTS to this project.
