

A.Y.2022-23

**Name of the Cell/Department:** Invertis University

**Academic year:** 2022-23

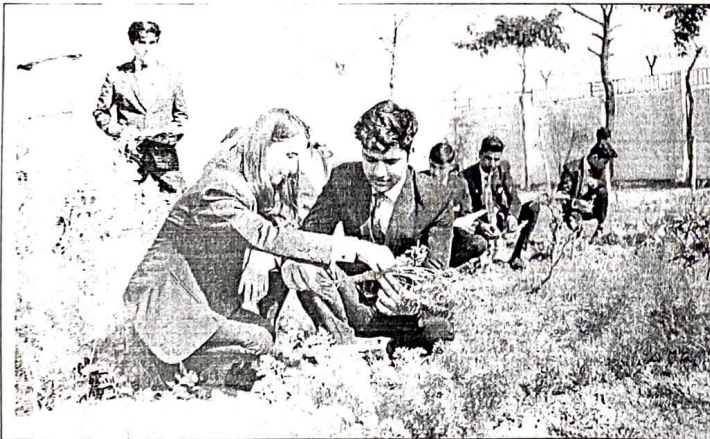

**Name of Event:** More plantation, More oxygen

**Date:** 5 June 2022

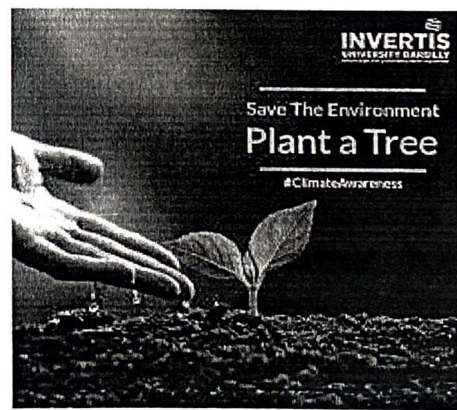

**Venue:** Invertis University, Bareilly

**Description:**

Invertis University organized an event with a message of 'More Plantation, More Oxygen' on Environment Day i.e. 5<sup>th</sup> June 2022 in campus for the students and employees of University. The objective of the event was to raise awareness about the importance of green environment in current living scenario. Due to increase in pollution the global warming in turn is affecting the environment to massive level. In order to bring about a significant change we need to motivate every individual to make this a part of their life. Without trees life is not possible, therefore the club has taken this initiative to motivate faculty and students to participate in this event.
