

CIRCULAR

Ref No.: IVU/0081/0041

Date: 18/10/2019

This is to inform you all that the students of B.Sc.B.Ed (ZBC) and B.Sc. (ZBC) will be visiting the Indian Veterinary Research Institute (IVRI) on the 31st of October. The trip shall be organized by the Department of Applied Sciences and Humanities. One of the main objectives of the trip is to educate the students about the Integrated Farming System (IFS) which benefits the environment by reducing green house emissions, water pollution, and soil erosion.

The students are advised not to miss this opportunity. The attendees shall be given Certificate of Attendance.

All the Class In-charges of the above mentioned classes are requested to make a list of the interested students latest by 24th of October.
