

Name of the Cell/Department: The Responsible Invertian Club, Invertis University

Academic year: 2021-22

Name of Event: WORLD ENVIRONMENT DAY RALLY

Date: 5 June 2021

Venue: Invertis University, Bareilly

Description:

World Environment Day is the biggest international day for the environment. Led by the United Nations Environment Programme (UNEP), and held annually since 1973, it has grown to be the largest global platform for environmental outreach. It is celebrated by millions of people across the world. The day began with a beautiful message shared by our Vice Chancellor which motivated everyone to celebrate this special day with great zeal and enthusiasm. A Rally was organized for students and faculty members to keep them aware of environmental issues and the ways to deal with them. They made green crowns, organic bird feeders, eco-friendly bags, and posters with slogans on the theme 'Ecosystem Restoration' and planted saplings at their homes.
