

Name of the Cell/Department: Invertis Sewa Sansthan

Academic year: 2018-19

Name of Event: Marathon on 'Green Environment, Healthy Life'

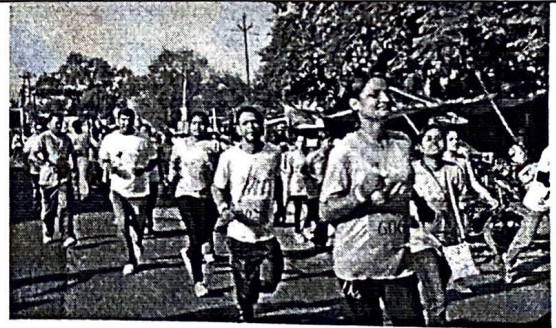

Date: 4 January 2018

Venue: Invertis University, Bareilly

Description:

Invertis Sewa Sansthan in association with Invertis University, Bareilly organized the 1st Half Marathon in 2018 on the important day of World Health Day to spread the social message of "Green Environment, Healthy Life". Some glimpse of the event was collected by the team Half Marathon Women's Special Run (11.5Kms).

The main aim of marathon is to encourage running and sports in general, while giving professionals the chance to compete, as well as promoting healthy living through sports activities, especially outdoor. It enables organizations and charities to advance their missions, while helping the local community enjoy sports and social activities. Invertis University takes pride in organizing such events to create a balanced life for the employees and students so as further promote importance of healthy environment.
