

Name of the Cell/Department: The Responsible Invertian Club

Academic year: 2018-19

Name of the program: Atal Raktdan Shivir

Date: 27 September 2018

Venue: Invertis University, Bareilly

The Camp was organized in the memory of our former Prime Minister **Late Shri Atal Vihari Bajpayee ji**. It began at around 10 am and continued up to 3 pm, with a steady stream of donors throughout. The corridor of the seminar hall 1 and 2 of the university was abuzz with young Invertians, happy to be able to play their part in lending a helping hand to people in the region. 40 Students of pharmacy were assisting blood donation camp as volunteer along with their faculty members and they were learning practical aspects of pharmacy. One of the seminar halls was utilized for a thorough medical check-up of potential donors, while another hall was utilize, where donors could lie down and recuperate for a while before they leave venue. They were provided with glucose water, food including biscuits, a fruity and a cup of coffee. It was great to see more people than pre-registration numbers turning up in the venue. This stretched the capacity of the blood bank, as a result of which the contact details of the donors were taken so as to allow them to donate at the earliest to the blood bank. The blood bank asked for 100 units with higher number of rear blood groups. Seeing the enthusiasm, they collected thirty percent more, that is 130 units.

Mr. Amritansh Mishra (CEO) The Responsible Invertian Club address the crowd and give instructions to help in smooth conduction of blood donation camp, he arranged 2 Ambulance for any medical urgency along with the team of doctors from Clara Swain Mission Hospital, Bareilly. The samples were carefully sealed and transported away, while the volunteers and hospital staff helped in the clean-up of the area. Throughout the morning, there were smiles and laughter all around - a true embodiment of what we believe in - selfless service with a smile. The donors will receive the certificates of recognition and also get a card where one unit of blood is available free from Mission hospital blood bank in next one year.
