Dear Ms.Garima,

I hereby write this letter on behalf of the Corporate resource Center in Invertis University. I wish to request permission to conduct an industry visits in your company Parle Biscuits Pvt.Ltd Factory on 19<sup>th</sup> May 2023 (Physical visit) for B.Com 1<sup>st</sup> year 50 students with two faculty Members.

Invertis University is one of the most professionally sought-after academic institutes in the country, established in the year 1998, Invertis University stands tall as a conglomerate of nine institutes. **The University campus spreads over 50 acres having more than 6000 students.** It has carved a niche for itself in the academic circles as a premier institute with an intense focus on nurturing technical competence and the holistic development of its students. It is prudent to highlight that Invertis University has emerged as one of the biggest private universities in Uttar Pradesh having 15000+ alumni and 5000+ students enrolled for **Ph.D., postgraduate, and undergraduate programs** across a wide spectrum of academic disciplines such as **Engineering (09 branches), Management, Pharmacy, Education, Applied Sciences and Humanities, Journalism and Mass-communication, Fashion designing, Biotech, and Law.**

The group visiting your factory includes 50 B.Com first-year students and two faculty members on 19<sup>th</sup> May 2023 .

The purpose of this visit is to engage students in practical experience in the Manufacturing processing as this is part of the curriculum. We hope to learn about all the levels of production and the safety measures taken at each stage.

Please get back to us with a response and any requirement needed [director.placement@invertis.org](mailto:director.placement@invertis.org) , 9891554568 ,Kindly grant us permission to conduct an industrial visit to your company.

### ***Objective of Industrial visit–***

1. Industrial visits provide the students with an opportunity to learn practically through interaction, working methods and employment practices.
2. It gives the students an exposure to current work practices as opposed to theoretical knowledge being taught at their college classrooms.
3. Industrial visits grant the students a great opportunity to interact with industries and know more about industrial environment.
4. Industrial visits are arranged by university for their respective students with an objective of providing them an opportunity to explore the different industry sectors like IT, manufacturing, services, finance and marketing.
5. Industrial visit helps students to combine their theoretical knowledge of business operations with the practical knowledge of its actual functioning.
6. Industrial realities are opened to the students through industrial visits.

## ***Major Learnings-***

During their visit to the Parle factory, students gained valuable insights into the world of food manufacturing and business operations. They learned about the intricacies of biscuit production, witnessing the various stages of manufacturing, quality control measures, and the use of advanced machinery. This experience provided them with a firsthand understanding of the importance of hygiene, precision, and teamwork in large-scale production processes. Additionally, the visit shed light on the significance of branding and marketing in the food industry, as they observed the packaging and distribution of Parle products. Overall, the trip to the Parle factory not only expanded students' knowledge of the food manufacturing sector but also offered practical lessons in supply chain management and the vital role of quality assurance in sustaining a successful business.
