

Press Note

Name of Event: Casting Vote Awareness Program

Date: 25 November 2018

Date: 25 November 2018

Subject: Casting vote awareness program

Respected Sir,

We are thrilled to announce that Invertis University put an effort to encourage civic engagement and empower the community with the fundamental right to vote on 25/11/2018 at Nagar Nigam Bareilly. We proud to announce the launch of a comprehensive "Casting Vote Awareness Program." This initiative aims to educate, inform, and motivate citizens about the significance of exercising their voting rights.

The fundamental essence of democracy lies in the active participation of its citizens, and the act of casting a vote is a pivotal element in shaping the future of a nation. Despite this importance, voter turnout often faces challenges due to various reasons, including lack of awareness, misconceptions, or disengagement from the electoral process.
