

Invertis University
NH-24, Bareilly-243123, U.P.

Name of the Cell/Department: Faculty of Engineering and Technology
Academic year: 2022-23
Name of the program: One day webinar on “Navigating Quality Challenges in Education”
Date: 07 April 2023
Venue: Google Meet
Description:

The Faculty of Engineering and Technology at Invertis University, Bareilly, organized a highly informative and engaging one-day webinar on the topic of "Navigating Quality Challenges in Education" on April 7, 2023. The event was attended by educators, researchers, and administrators from various educational institutions, fostering a rich exchange of ideas and insights.

Dr. Kishore Shende, a distinguished academician, and Information Officer at Barkatullah University, delivered a thought-provoking keynote address. He provided a comprehensive overview of the challenges and opportunities in the realm of education quality. The webinar featured interactive discussions where participants actively engaged with Dr. Shende. These discussions covered a broad spectrum of topics, including the role of technology, accreditation processes, and innovative teaching methodologies.

A total of 130 participants benefited from this event. The list of programs included in this event was inaugural session, talks by guest speakers, Q&A session summarization, concluding remarks, valedictory session and vote of thanks. At the end of the program the convener has taken the feedback from the participates and the key takeaways from the feedbacks are participants found the practical solutions and best practices shared by educators and professionals to be particularly beneficial. They noted that these real-world examples could be applied in their own educational institutions. Feedback indicated that the topics discussed were highly relevant to the current challenges faced by educational institutions. Participants felt that the webinar addressed critical issues in education quality.
